

Minutes  
Meeting of the Expert Group on Veterinary Medicinal Products<sup>1</sup>  
24 April 2026 – Webex

## 1. Approval of the agenda

The agenda was adopted as tabled.

## 2. Nature of the meeting

The meeting was held at the Commission’s premises. Experts representing the Federation of Veterinarians of Europe (FVE), AnimalhealthEurope (AhE), Access VetMed (AVM) and the Association of Veterinary Consultants (AVC) attended the meeting.

## 3. List of points discussed

### 3.1. Article 106(1) of Regulation (EU) 2019/6

The Commission services explained the interplay between Article 106(1) and Articles 112 to 114 of the Regulation, addressing specific examples of concerns raised. It was concluded that the scenarios identified fit under the current legal framework.

The examination of the issues raised and follow up discussions led to the adoption of recommendations by the Expert Group, which are attached to the minutes.

### 3.2. Antiparasitics

The group acknowledged that there is a problem of resistance for some parasites in some target species. The situation varies across the Union and it was noted that this is an issue that cannot be solved through a single action.

## 4. Next steps

The Commission will transmit the output of the Expert Group meeting to the Standing Committee on Veterinary Medicinal Products. Further discussion will take place in the Standing Committee, in particular as regards the issue of resistance to antiparasitics.
